

Dear Parent/Carer,

Welcome back. We hope that you all had a relaxing half term break. There are lots of things happening over the final half term, dates of which are at the end of this letter.

Attendance:

Attendance over the last half term increased across the school. Well done to Mrs McCaffrey's and Miss Morgan's class who have had the best attendance over the half term. Both classes enjoyed a baking afternoon as a special treat.

A reminder that any child with 99 or 100% attendance over the Summer term will take part in a special Circus Skills workshop in July.

Allergies

A reminder that we have a number of children with a nut allergy. Please support us in ensuring that any food brought into school do not contain nuts - these include some cereal bars and spreads.

Training Days

Please note that we have our final two teacher training days on Friday 22nd and Monday 25th June. The school will be closed on both of these days.

Soccer Aid - this Friday

Soccer Aid for Unicef Playground Challenge takes place on Friday 8th June. Ainthorpe Primary is joining in with thousands of other schools around the UK and taking part in the Soccer Aid Playground Challenge.

The idea is simple, all the children just need to do is bring £1 and wear their favourite football or sports kit for the day. They will have opportunity during the day to have a go at completing the Playground Obstacle Course. This is the same day as World Oceans Day.

MyEd - accessing letters

Thank you to everyone who has downloaded the MyEd app. Please remember that information and letters from school will be sent using this method. If you receive a notification, please remember to read the letters in the letters menu.

School site

Please can you ensure that your children do not cycle or ride their scooters on the school playground. We do not want anybody being hurt or injured because of this. Can I also ask that children do not climb trees on the school site as some of the trees are very old and fragile. A reminder as well that dogs should not be brought onto the school site. Thank you.

Development of the outdoor area

Thank you to everyone that has been in touch and would like to see the outdoor area being developed. On Friday 15th June, volunteers from Yorkshire Water and the Yorkshire Wildlife Trust will be visiting to start the first part of this process. There will be lots of work taking place throughout the day where we may also need some volunteers to help. We will let you know more information when we have it.

Please could I ask that you ensure children do not go near any of the equipment/materials during this stage and we will happily show everyone around in the following week.

School uniform

A reminder that our school uniform is black trousers/skirt, a white polo shirt and a school sweatshirt along with black shoes. Year 5 and 6 also have the option of wearing a white shirt and school tie. Sweatshirts and ties can be ordered from CS Enterprises (www.csenderprises.co.uk).

Key dates

Please find below the list of upcoming dates at the school. Please remember, that these could change and we will inform you if this is the case.

Thu 7th June 6pm - New starters meeting for parents of children starting in FS in September.
