This is recognition of the hard work of the whole school community and our fantastic pupils. The full report is available on the school website and paper copies are available at the school office.

School Uniforms

Details of the uniform requirements are on the school website, and orders can be placed directly with C.S Enterprises and delivered to school. Please can I remind you (before you buy clothes for September) that children need to wear plain black shoes as part of the uniform, and school trousers, not jeans. Thank you for your support with this.
